

## Your Data Is In Safe Hands - EPH Officially Registered With EDPA

Ezulwini Private Hospital (EPH) is proud to announce its registration as a Data Controller with the Eswatini Data Protection Authority, in line with the Data Protection Act, 2022. This certification, issued by the Eswatini Communications Commission (ESSCOM), underscores our commitment to safeguarding patient and client privacy.

In today's digital age, where data security and privacy are paramount, this achievement marks a significant milestone for EPH. The Act ensures stringent regulation of personal data handling, thorough investigation of breaches, and effective resolution of related complaints.

The certificate places us at the forefront of data security in the healthcare sector. Our patients can now rest assured that their personal information is secure at EPH. We take pride in offering not just world-class healthcare, but also an environment of trust and privacy.
